

# Epson 1270 / 1290 Continuous Ink System

## Installation Instructions

Note: Ensure that you read this document before attempting to install the Lyson CIS System. Installing inks into this CIS system will be taken as an acceptance of the terms and conditions hereunder. Failure to follow these instructions may result in damage to your printer and the voiding of the CIS warranty.

### DISCLAIMER

As Lyson bulk feeds are self installed by the user, Lyson is not responsible for any damages to your printer, whether they are or are not related to the Lyson Bulk ink feed system. Please contact the store or dealer where the printer was purchased, or the printer manufacturer for any problems or questions related to the printer and its operation. If the Customer chooses to use ink in the system from a manufacturer other than Lyson, and is not satisfied with that ink, or it clogs the printer or the bulk feed system, it will be the Customers responsibility to pay for the parts to repair the system and restore it to normal usage.

### WARRANTY

Lyson CIS systems are warranted to be free from manufacturing defects for the period of six months from date of system purchase. CIS cartridges are warranted for the period of 3 months from date of system purchase.

### RETURNS POLICY

We can only guarantee that the Lyson Bulk ink system will deliver Lyson ink just as well as a normal ink cartridge. We will not accept unauthorized returns of used systems, nor can we accept returns of systems filled with an ink that the customer later decides does not meet their specific needs. You are encouraged to take all steps necessary to verify that Lyson inks will produce a satisfactory result before installing this CIS. If in doubt, ask for a print sample from your supplier.
